Deadline: November 14, 2014  
Award announcement: December 1, 2014

**Applicant Information**

Name Ann M Hight

Site:  Chabot  LPC  District Office

Campus e-mail address ahight@laspositascollege.edu

Campus phone number 415-603-0595  
(or home phone if no campus phone is available)

Division or Department Biology/STEMPS

Name of Mgr/Supervisor Lisa Everett

**Project Information**

Name of project Storage and reference textbooks for cadaver lab

Amount of grant requested (max: \$1,500) 989.10 Expected completion date for project 1/30/16

Who will be responsible for completion of the project? Ann Hight

**Description** – Provide a brief overview of project plan:

Instructional materials for cadaver lab located in 1858 at Las Positas College:

- Wall-mounted storage for student instructional supplies; stainless-steel shelves, keyboard mount, surgical glove holders, white board
- Reference materials for student use; 2 sets of cadaver dissecting textbook and cadaver atlas with one set kept permanently in the cadaver lab and one set kept in the anatomy teaching lab.

**Outcome** – Clearly state the outcome to be attained by the project. Be specific.

While strict safety guidelines are followed when working with hazardous solutions designed to preserve the cadaver specimen, inadvertent cross-contamination between instruments used during the dissection with "clean" supplies is always a concern. Wall-mounted systems will help alleviate this concern as well as clear the second gurney for another cadaver.

LPC students are being provided with a unique experience in performing the dissections under the guidance of the anatomy professor. Each semester a small group of students are assigned to dissect a region of the cadaver (e.g., the front portion of one leg). Learning the dissecting approach is part of the process. The set of reference materials that I am requesting are medical school textbooks of which only a very small portion are used each semester (e.g., just the section on the leg).

**Budget** – Expenditures must conform to this budget. Total budget should equal award request.

List each planned expenditure, showing: \$ amount, (to) payee, (for) description.

Example: \$56 to AcroScientific for laser pointer (Provide additional narrative if desired.)

\$511.00 to Universal Medical for 2 stainless steel wall mount shelves and 2 wall mounted surgical glove holders

\$221.44 to Acorn Media for keyboard mount and white board

\$256.66 to Amazon for 2 dissecting textbooks and 2 human atlas textbooks

**Benefits** – Please briefly explain how the project will **improve service to the colleges** in your area of work responsibility. Describe what problem the project will solve, and how long the benefits will last. Be Specific.

The opportunity of students to participate in producing professional dissections of human cadavers is unique to our college. It is an extremely rare privilege at a 2-year college; one that sets LPC apart. Further, this semester I had 32 qualified students apply for 8 openings. While I hope to expand the opportunity, safety is always a concern when working with hazardous materials. The support of a CARE grant will greatly help with this safety concern as well as supporting the unique opportunity LPC is offering its students.

**Agreements:** I agree to complete the project as described above and then provide a one-paragraph outcome report including a digital photograph to CARE. (due: June 20, 2015 or by the above completion date.)

I understand that grants will be payable to the College/District and grant purchases will become CLPCCD property.

#### Shipping Charges \*

Shipping charges are based upon weight, dimensions, distance traveled and type of shipping service you specify (ground, next day, second day).

All shipments are F.O.B. shipping point. Shipping method is determined by size and weight of each item. Items of differing size and weight may ship independently, by different methods, even if ordered together. Items that are too large or too heavy for UPS will be shipped motor freight. Someone must be present to accept truck deliveries. Standard truck delivery is to a facility with a dock designed to receive freight. Twenty-four hour notification, residential deliveries, lift gate, or inside deliveries are available each with an additional charge.

To view shipping charges, use the Shipping Calculator featured in the Shopping Cart. Unless otherwise stated, freight and shipping fees will be charged for shipments to anywhere in the contiguous United States, using a carrier of our choice. Other terms apply to Alaska, Hawaii, Puerto Rico, and export orders. Any extra charges incurred for additional services, such as customer's carrier or special handling by the carrier, must be paid by the consignee. Items backordered from an order qualifying for prepaid shipping charges will be shipped prepaid. Title and risk of loss pass to the customer upon tender of shipment to the carrier. Certain restrictions apply to Free Shipping promotions. These include use of our choice of carriers and shipping methods as well as other limitations.

Collect Shipments - We will gladly ship via your specified carrier however; we will not ship with certain carriers due to poor experience.
