

**Chabot-Las Positas Association of Retired Employees
CARE Fund Special Projects Grant Program
2016-2017 Application Form**

Please mail completed form to:
CARE Grants, c/o Bill Threlfall
11 Woodside Glen Court
Oakland, CA 94602

Deadline: November 14, 2016
Award announcement: December 1, 2016

Applicant Information

Name Carol Edson Site: Chabot LPC District Office
Campus e-mail address cedson@laspositascollege.edu Campus phone number 925 424 1336
(or home phone if no campus phone is available)
Division or Department MSEPS/Geology Name of Dean/Mgr/Supervisor Nan Ho

Project Information

Name of project Updated USGS Topo map collection
Amount of grant requested (see [guidelines](#)) \$ 612.50 Expected completion date for project 2/17
Who will be responsible for completion of the project? Carol Edson

Description – Provide a brief overview of project plan:

The Livermore Topo maps that our students use were last revised in 1980. USGS has just come out with a digitally revised 7.5 minute topo map for Livermore. We wish to purchase 25 of these maps and have them laminated at Chabot.

Outcome – Clearly state the outcome to be attained by the project. Be specific.

Up to date materials for the Geology lab students to use for various map activities including creating geologic profiles, learning the Public Land System, and computing vertical exaggeration.

Budget – Expenditures must conform to this budget. Total budget should equal award request.

List each planned expenditure, showing: \$ amount, (to) payee, (for) description.
Example: \$56 to AcroScientific for laser pointer (Provide additional narrative if desired.)

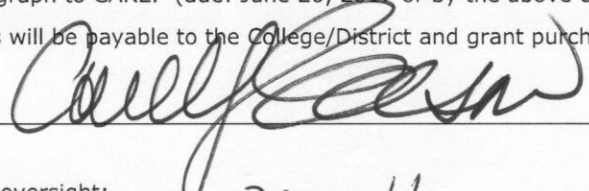

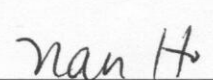

Bid from Chabot is \$612.50 for 25 maps. By working with Craig Shira in their Graphic design department we will pay less than half the price that we would have paid for the same services at Ricoh.

Benefits – Please briefly explain how the project will **improve service to the colleges** in your area of work responsibility. Describe what problem the project will solve, and how long the benefits will last. Be Specific.

Our present maps are out of date. The new maps reflect all changes including buildout, new reservoirs, landslides, etc. Lamination extends their useful life to about 20 years.

Agreements: I agree to complete the project as described above and then provide a one-paragraph outcome report including a digital photograph to CARE. (due: June 20, 2017 or by the above completion date.)

I understand that grants will be payable to the College/District and grant purchases will become CLPCCD property.

Applicant's Signature  Date 11-8-16
I agree to provide fiscal oversight:
Dean/Mgr./Supervisor's Signature  Date 11-9-16

From Craig Shira at Chabot Reprographics

\$12 - 24x36" standard coverage print

\$8.50 - 24x36" lamination

\$4 - Two cuts to trim sheet to 22x27"

\$24.50 TOTAL COST for one laminated 22x27" map

Total cost for 25 maps = \$612.50
