**Project Information**

Name of project Disposable earplugs for library students

Amount of grant requested (see [guidelines](#)) \$275.00 Expected completion date for project ASAP

Who will be responsible for completion of the project? Diana N. Kleinschmidt

Description - Provide a brief overview of project plan:

The library is a very active and busy place where students come in to do homework, group study, read, relax and play board games in their free time. We understand that the library cannot always stay quiet. I would like to propose that we purchase disposable ear plugs for the students who require quiet in their studies and reading. The earplugs will be invaluable during the Library expansion.

Outcome - Clearly state the outcome to be attained by the project. Be specific.

The outcome would be that students will have the quiet they need to study and read, while the students in group study will be able to do so without disturbing others.

Budget - Tell us what you want to buy: (supplies, apparatus, or services - See [guidelines](#)).

Vendor (supplier)	Item Description (Model # etc.)	Qty	Unit price	Tax	Shipping	Line Total \$
Honeywell (Amazon)	Howard Leight Multi Max Earplug REgill for HL 400 Dispenser	1	\$147.64			
	800 part (2 400-pair canister) NRR.31 (HL-400-MM-REFILL)					
Honeywell (Amazon)	Howard Leight HL400 Earplug Dispenser with 400 pairs of Multi Max Earplugs	1	\$90.40			

Optional budget notes:

Budget Total: \$238.04

I did not know what the exact amount for tax shipping would be, so I left it blank.

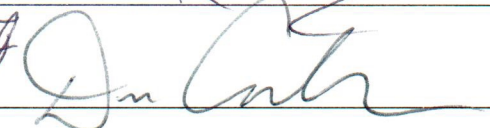

Benefits - Please briefly explain how the project will **improve service to the colleges** in your area of work responsibility. Describe what problem the project will solve, and how long the benefits will last. Be Specific.

The benefits of these earplugs and dispenser will be for the students that get to have the quiet they need to study and read and the group study students able to quietly discuss their schoolwork, without disturbing others. The staff will not have to go around continually having to quiet everyone down and there will be less complaints.

**Agreements:** I agree to complete the project as described above and then provide a one-paragraph outcome report including a digital photograph to CARE. (due: June 21, 2019 or by the above completion date. )

I understand that grants will be payable to the College/District and grant purchases will become CLPCCD property.
