

CIN! (Change It Now!) Table Cloth Banner

Pedro Reynoso, Chabot College

On behalf of CIN! faculty, students and staff, I would like to thank the Chabot-Las Positas Association of Retired Employees for providing the funding to purchase a much-needed table cloth banner. The banner serves as an excellent promotional tool to further increase our visibility on campus, and in turn, help recruit future CIN! students.

The picture below is from our last Gladiator Day event (Fall 2019) at Chabot College where we proudly showcased our program's courses and events. The table cloth helped draw more attention to our table; and thus, met our expected outcome. We're excited to use the table cloth at future events; for example, our upcoming "Stay Woke" High School Conference this fall semester. Once again, thank you for the support!
